# TRANSFORMING LIVES IN INDIA SINCE 2016.

A true icon of Japanese automotive engineering, ISUZU is bolstered by a legacy that spans over a hundred years. With operations in 25 countries, it is a true global brand that is coveted in over 100 countries worldwide. Manufactured with the promise of 'engineered for life', today the ISUZU name is synonymous with reliability, durability and long lasting vehicles. Staying true to this philosophy, ISUZU has grown into a brand that is adored not just by adventure seekers but also by those who believe in superior automotive engineering and unmatched style in their vehicles.

The new all-mighty V-Cross, India's only adventure utility vehicle, also embodies this promise and offers you something that no other vehicle can offer; the freedom to go on any adventure you choose while also giving your family the best in safety and comfort. 5 years ago we launched the first V-Cross that took the Indian market by storm. In 2021 we have its all-mighty successor ready to take its forward journey in the ever-expanding Indian landscape. It's only uphill from here with the new all-mighty V-Cross.
